The Crysteel Stainless Steel Tailgate Spreader was specifically designed to meet the highest demands for efficient performance and dependability all winter long. Corrosion-resistant stainless steel material delivers unmatched durability in the toughest environments. Plus the tailgate spreader is backed by an industry leading 2 year warranty.

Full opening bottom trough hinged on body side for accessibility and **complete clean out.**

**Direct drive design** minimizes maintenance and allows independent control of auger and spinner.

Fully tapered trough eliminates all flat surfaces **preventing material hang ups.**
